

Short CV

Mrs. Gabriela Viale Pereira is Associate Researcher at the Department for E-Governance and Administration at Danube University Krems (Austria) and Visiting Post-doc at EAESP/FGV (Brazil).

Gabriela is Bachelor in Information Systems from the Pontifical Catholic University of Rio Grande do Sul (PUCRS/Brazil), Master (2012) and Doctor (2016) in Business Administration from the same University. She was visiting PhD scholar at Bentley University, Waltham (2014) and visiting scholar at the Center for Technology in Government, University at Albany (2018).

Gabriela's activities include research in electronic government and ICT-related Governance projects involving smart governance, smart cities, open data, data analytics and government 3.0. She has been working on the smart cities domain in the past 7 years. Her experience covers research at national level in Brazil and Austria, as well as EU-funded projects in the fields of electronic government, smart governance, smart cities and open data.

Gabriela was Deputy of the SmartGov project (2016-2019), which focused on advanced decision support for smart governance and she is currently the Project Coordinator of the Strengthening Governance Capacity for Smart Sustainable Cities project (CAP4CITY) for the Latin America region.

Gabriela is track chair on Smart Governance for Smart Cities and Regions at ICEGOV 2020, chair of the PhD Colloquium and leading chair of the General E-Government & Open Government Track at EGOV-CeDEM-ePart 2020, Chair of the Smart Governance Conference 2019 and member of the Smart City Smart Government Research Practice (SCSGRP) Consortium.
