FUTURE OF **CITIES**

10 YEARS OF ACHIEVEMENTS

Ljubljana Forum is an annual gathering that combines knowledge and experience of city governance and defines key areas, visions and strategies of the future development of cities.

OBJECTIVES OF LJUBLJANA FORUM

- **to offer a framework for cooperation, networking and learning** among various stakeholders: political decision-makers, city leaders and city administration, investors, businesses, civil society, researchers, academics and students.
- **to empower this network of stakeholders to create prosperous future of cities** through researching, developing and implementing the best practices of urban development.
